

VOTE Library Petition Instructions for signing

It is important to make sure that all of the information requested is provided by each person who signs. If it is not provided, their signature will not be counted.

It is also important that everyone who signs read the upper portion because, by signing, they are declaring they are legally eligible to do so.

In addition, do not collect signatures on a blank page. The signatures must always be on the page with the actual petition wording. Just make many copies of this attachment.

When you have filled a page with signatures, please scan and email back to me, Merrilee Rasmussen, merrilee@rrc-law.ca or fax to (306) 525-8912. Then mail the original at 3301 College Ave Regina S4T 1W3. I must have the original, or again, the signatures will not be counted.

If you have any other questions, just let me know

Thanks for doing this very important work!
